

# PERFORMANCES

## FOR THE OUTGOING STUDENT

Do you love to be the center of attention? Do you enjoy speaking in front of a crowd? If you answered yes to those questions, performance is the category for you! Read below for tips and tricks on creating your performance entry.

You may perform as an individual or in a group of up to five students.

Your performance cannot exceed ten minutes.

In addition to preparing your performance, you must also write a process paper and an annotated bibliography.

Have fun creating your costume, set, and props, but remember simple is often best!

Don't forget to introduce yourself! Make sure to say the title of your entry and your name before you begin performing.

You are allowed to use media within your performance as long as you operate it yourself.
